

WHY JOE BIDEN?

Joe Biden knows the importance of strong unions and has been a supporter of working men and women for his entire political career.

“Strong unions built the great American middle class. Everything that defines what it means to live a good life and know you can take care of your family – the 40-hour work week, paid leave, health care protections, a voice in your workplace – is because of workers who organized unions and fought for worker protections.” -- Joe Biden
